Congratulations from Kawartha Lakes This Week! You have been chosen by our readers as their Favourite Pest Control; in our 2010 Readers' Select Awards!

We will be publishing our Readers' Select supplement with photos and comments from all the winners in every category in mid to late February.

I would like to set up a time in the next week to come and take your photo and comment. Please let me know as soon as possible when that would be convenient for you.

You also have an opportunity to advertise at a very special rate in this highly anticipated supplement. Please review the attachment above and let me know if you would like to include your advertisement.

Thank you and congratulations once again
